

2013 British Toilet Association INNOVATION AWARDS

Closing date for Nominations: Friday 20th December 2013

The Awards will recognise innovation in three key areas of 'away from home' provision:

- **new products**
- **new services**
- **efficiency improvements**

The BTA wants to hear about innovation that really improves the use or provision of publicly accessible toilets. Anyone can nominate a provider or supplier or their own organisation or company by sending an email to enquiries@britloos.co.uk by close of business, **Friday 20th December 2013**. Nominations must include details of why the product, service or efficiency should be awarded a BTA Innovation Award. All nominations will be acknowledged.

A panel comprising members of the BTA Management Committee will judge each nomination and decide who will gain awards. There may be more than one award in each category, dependent on the number and quality of the nominations. The decisions of the judges will be final.

Each award winner will receive a trophy designed specifically for the BTA Innovation Awards and a framed BTA Innovation Award certificate.

**The awards will be announced and presented
to the winners early in 2014**

Opportunities still exist to exhibit and display your products at the 2013 BTA Conference
Please contact enquiries@britloos.co.uk or call 02891 477397
